## Spread the word about ... Art Show for Kids and Youth

### Join the Fun!

If you are the parent, grandparent, family member, friend, teacher, mentor or counselor of a young person, 5 to 18 years old who loves to express creativity with crayons, paint, colored pencils or any other medium, we have a challenge you won't want them to miss out on. Join in the fun and help encourage our youth to share their artistic flare with their community.

### King County Youth

Throughout the year artwork of King County youth will grace the wall of our GPS office 'living room' in Kent. We will display the submitted art throughout the year. Creations selected for the GPS Living Room Art Exhibition will be featured on our website [www.guidedpathways.org](http://www.guidedpathways.org) and featured on our wall along with the creations of artist Laura Castellanos.
